-Kate

April

-
- **Deliberative Process / Ex. 5**
-
- 4/2 – Lake Champlain Report Card sent to State
- 4/3 – LIS Nitrogen - Coordination call with NY & CT. Regularly scheduled conference call with Long Island Nitrogen Action Plan (LINAP), NYSDEC, Suffolk Co, CTDEEP, University of Connecticut and EPA to discuss progress on nitrogen reduction efforts and threshold coordination.
- 4/3 – Lead in Drinking Water - Meeting with New England Water Works Board and State Water Works Associations to discuss Drinking Water matters, including NEWWA comments on revisions to the Lead and Copper Rule.
- 4/5 – Coakley - EPA and NHDES will be holding a public meeting on April 5.
- **Deliberative Process / Ex. 5**
- 4/9 – SNEP - Policy Committee meets to discuss priorities for FY18 funding
- 4/9 – SNEP - Begin field testing of septic system nitrogen sensors at the Massachusetts Alternative Septic System Test Center.
- 4/15 – PFAS - coordination with CT DEEP and CT DPH on upcoming private and public well PFAS sampling in Greenwich CT. Sampling occurred in late-February 2018. Results to be provided to CT thereafter. (OSRR, OEME and OEP)
- 4/17 – Lead in Drinking Water - Meeting with the NE State Drinking Water Administrators to discuss DW matters, including Lead in DW implementation.
-
-
- **Deliberative Process / Ex. 5**
-

- 4/27 – Integrated Lead Strategy - The purpose of the strategy is to provide a summary of how Region 1 is currently and plans to further address lead cross offices, programs and agencies. A strategy template is currently being reviewed by program offices. Contents for the strategy are also being collected.
- 4/30 – EJ Strategy – R1 EJ Strategy Report
- 4/30 – Coakley – Installation of bedrock monitoring wells.

May

- 5/7 – New Bedford - Startup of shoreline cleanup at North Street Salt Marsh.
- 5/7 – New Bedford - Start of work on Interim Cap at the Aerovox shoreline.
- 5/8 – MS4 Technical outreach - Stormwater Financing Roundtable #3. A&P2 will work with the Consensus Building Institute and state environmental departments to deliver the third in a series of four interactive Stormwater Financing Roundtables for interested municipalities in MA and NH.
- 5/16 – Congressional Staff Briefing day
- 5/21 – Coakley - Responsible Parties are preparing work plan for background arsenic and manganese study. Work Plan to be submitted by second quarter FY18.
- 5/22 – PFAS - May 22-23, 2018: EPA will host a PFAS Leadership Summit in Washington D.C. States were invited by way of letters from Administrator Pruitt to Governors. Federal agencies are also invited.
- 5/31 – Lead in Drinking Water - Convene meeting between EPA and HUD Regional Administrators to discuss War on Lead, include Drinking Water and Lead Paint Repair.
- **Deliberative Process / Ex. 5**
- 5/31 – MS4 technical outreach – 4th issue of Stormwater News
- 5/31 – PCBs in Schools - Targeted for May date TBD (organized by state): Kim Tisa to attend Status Update PIP meeting for the Parker Street Waste Site(PSWS), New Bedford, MA. The meeting is held to provide a status update of work ongoing with the Parker Street Waste Site (PSWS) and to solicit community input. Kim will provide information and address questions related to the requirements for the PCB work either ongoing or/and to be conducted within the PSWS.
